

## CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Application for Fiscal Year 1992/93 Transit Capital Improvement Funds by the County of San Joaquin

MEETING DATE: November 6, 1991

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: That the City Council adopt a resolution supporting San Joaquin County's 1992-1993 Transit Capital Improvement Program application for funds.

BACKGROUND INFORMATION: The County has submitted its application to the State of California, Department of Transportation, Division of Rails on October 1, 1991. The project application for funding is the second phase of a four-phase, multi-year project to construct rail station/multimodal transportation facilities in Lodi, Manteca, and Tracy. This phase of the project is to provide environmental assessment, documentation, master site planning, and preliminary engineering.

The first phase of the project has been approved for funding in fiscal year 1991-1992 for site assessments and feasibility analysis. The third phase will provide final engineering and design and the beginning of construction including securing right-of-way. The fourth phase will consist of final construction with the facilities to begin operation in December 1995.

The City Council last year submitted a resolution of support. The County of San Joaquin has again asked for a resolution of support for the 1992-1993 application. It is therefore recommended the City Council adopt such a resolution.

FUNDING: Not applicable.

Jerry L. Glenn  
Assistant City Manager
